

Run Report

Cockfighter Tavern Bulga – Sunday 17 June 2012

The weather turned fine for today's club run, we met at Rutherford Maccas and was joined by Corey & his son in a very nice silver 2 door LJ, new club member Mick Kelly turned up in his Lotus and the little torries wanted to claim him – linament 2 door with XU1 number plates?? but the big torries thought that it looked more like a hatch (I've left the car out of the count to make it fair).

We set off to Bulga via the Golden Hwy for a leisurely drive past the open cut coal mines.

The publican's wife addressed us prior to ordering lunch and was recommended the baked dinner and a few other daily specials, most of us ordered the preferred lunch but some were in for a very long wait, the tavern proved to be very popular with motorbike riders so it's obviously a good spot to stop for a drink.

After our light lunch, most of us decided to head for home, some of us returned via Broke & Cessnock and with the extremely bad vineyard roads certainly gave our torries a good shaking.

In summing up, it was a good day to get the torries out for a run.

Thanks

Yvonne Yates

For the record,

7 little

4 big

17 Members

30 Total Attendance

Nice Number Plates !!
