

Run Report

Gundy Pub – Sunday 19 August 2012

What a great day for a drive up the hunter valley!, we had 10 torries and Chris in his Camaro turn up for a Sunday cruise to Gundy Pub near Scone, we also welcomed a new club member - Corey & his family who joined us for the 2 hour drive there.

Dane kept reporting over the 2 way that he was having “vibration” issues and really enjoyed the ride lol

Gundy Pub was very welcoming and Mick was quick to get a Toranafest poster up on the noticeboard, we were able to put on a car display on the grounds whilst we enjoyed a relaxing lunch sitting on the verandah, this is definitely a good pub to visit.

There were lots of bikes and some car clubs out on the New England Hwy enjoying the great winter weather, we even passed a red Sunbird at Aberdeen.

In summing up, I think that all that attended would agree that this was a great run in their torries.

Thanks
