

Run Report

Murrays Brewery

Another beautiful day for a club run, we were joined by new club member Ben Woods in his very nice LH ranga and great to see that David & Amy Peet are now proud owners of a tough looking LX 4 door.

We made the short drive to Murrays Brewery, we had a nice lunch and some members tasted some local made beers. We chatted for a while and slowing people started to head for home. With the gravel carpark I hope people didn't spend too much time detailing as the cars were quite dusty after lunch.

In summing up, it was another well represented club run and we had a good day together.

For the record –
