

## Run Report

### Patonga 2012

Our destination for the Central Coast club run was Patonga, we met at the twin servos and Glenn led us the way via Kilarney Vale & North Avoca, some beautiful views along the way but not sure why we checked out the Club Umina car park, we arrived at Patonga at lunchtime where David Lardner was waiting for us.

We ending up parking at the boat ramp parking area, some of us headed to the takeaway shop for some great local fish & chips, whilst BJ pulled out his gas cooker and cooked steaks for Steve & himself, unfortunately this brought out some unwelcome picnic guests and Ron & Elaine were fighting off bull ants, flies & a leach.

Lots of people spoke to us & took photos of the cars, with only 10 torries attending we were even asked "is this Toranafest"???

With the weather holding off this was another good club run to a lovely quiet coastal town.

For the record –

6 little  
4 big  
14 Members  
22 Total Attendance
