

## Run Report

### Steamfest 2013

This event is always popular and the club put on a very impressive display of 35 torries.

Some members arrived at the park early to secure an area for the remainder of the club who were meeting at Greenhills McDonalds, with cars arriving at the park we started to park in 2 rows – “little Toranas” and “big Toranas” which started some friendly rivalry with members wanting to join up non-members to even the close count.

It was a beautiful day with lots of family & friends turning up to enjoy the large car display and the steamfest event across the road. Lots of people enjoyed our “Torana Alley” display we put on.

Congratulations go to some of our club members,

“Best Engine Bay” – Shannon Rowe – Red SLR, it was great to see Shannon’s beautiful torrie on its first club outing

“Best Australian Car” – Dane – XU1

“Best Australian Car – Runner Up” – John Centrone – GTR

Robert Gardner also won a prize in the Lucky Car Entrant Draw (he waves the flag for the UC owners)

In summing up, it was another great club day out and this event gets bigger each year.

For the record –

18 little  
17 big  
48 Members

Thanks
