Super Cheap Store Opening – Saturday 26 May 2012

We met at Raymond Terrace Maccas and it was a very cool and extremely windy morning, we then drove around the corner to the new Super Cheap Auto store, David the Store Manager was happy to see us and directed us to our parking area. We had 8 torries on display, new club members Brett & Carol Hodgson came along in their newly owned white 4 door LJ, and we were joined by the ArmorAll Hummer and we welcomed in Chris driving a Ford Fairmont who had a good sense of humour and spent the morning with us.

We done some shopping at Super Cheap, listened to Pete who gave a great wrap for our club on radio 2HD, ate their free sausage sandwiches and spent the morning chatting to interested members of the public.

Apart from the blistery cold wind we had a good morning, and going by the public that turned up Super Cheap also done some good trade.

Thanks
Yvonne Yates
