

Run Report

Wollombi Tavern

Another beautiful winter morning for a club run, we met at Freemans Waterhole Oak Bar and were joined by 3 torries from the NSW GTR/XU1 Club – Dominic, Dominic, and Milan & Mandie. We enjoyed a lovely cruise to Wollombi via Quorrobolong & Paxton, we did make a navigation error but luckily Glenn was following us and turned us around before too many people made the wrong turn.

We parked on the grassed area beside the tavern and put on a colourful display, some members checked out some local shops before ordering lunch, the tavern was very popular with hundreds of bike riders calling in, but our meals were served up very quickly and we all enjoyed a nice lunch and it was lovely sitting on the verandah soaking up the sun.

In summing up, everyone enjoyed the cruise & pub lunch, another great club day out.

For the record –

12 little (incl 3 GTR/XU1 club)
5 big
18 Members
29 Total Attendance
